

October At Home Sunday School Plan

Grades 2 -3

Every Sunday ask your child the following questions

- What are the 4 Gospels (They should respond in a cheer that they know from Sunday School)
 - Matthew, Mark, Luke , John
- Why are the Gospels important, why do we stand in church for the Gospel
 - Because it is Jesus's words
- Have your child find a comic strip in the Sunday newspaper (or online if you do not get the newspaper) and have them relate the comic strip to "Everyday life / Everyday faith" If you do not get the Sunday paper and want to use the comic strips, please text me and I will send some pictures back. 989-878-2884
 - There is no wrong answer here. This is their view on life and how it connects to their faith.
